

Proof of residence in Germany before moving to Netherlands

I moved to Germany, Karlsruhe in January 2012 and moved out in August 2020.

I have deregistered from the city of Karlsruhe as proved by document Abmeldung.pdf.

I can prove my residence in the city of Karlsruhe in the past 24 month by the charges on my debit and credit cards in SPARDA BANK:

- Bank_statement_2019.pdf - charges between 1/1/1019 - 31/8/2019
- Bank_statement_2019.pdf - charges between 1/9/1019 - 31/12/2019
- Bank_statement_2020.pdf - charges between 1/1/1020 - 31/12/2020

I also provide payments for the apartment at Werderstr 3, 76137, Karlsruhe, which I rented jointly with my partner Dimitrii Krutik:

- Werderstr_3.pdf - payments for the past 24 months from an account in DKB bank.
- Account.pdf - scan of my DKB card where the account number is stated.

With best wishes,
